SHARING THE POWER. OUR MEMBERS SAY IT BEST.

“Few organizations put people and information together as intelligently as TANO. The scope of resources is broad but I never fail to find a “spot on” connection.”

—MAGGIE MCCARTHY, *Veterans Research Foundation, Waco*

“As a volunteer-based startup, we have relied on the timely and relevant advice of TANO in every phase of our work: fundraising, strategy, insurance, human resources, budgeting, software and information technology. Throughout, the TANO staff has **gone above and beyond**. Their advice, assistance, and coaching has added value to all our activities.”

—JOE CERAMI, *Brazos Interfaith Immigration Network, Bryan-College Station*

“Prior to our relationship with TANO we were operating in a vacuum. We had few peers and no resources to form the kinds of support TANO provided. Today, our agency and our board has a new and stronger sense of **community, capability and focus.**”

—JACK M. WHITE, JR., *Infant and Family Nutrition Agency, Brownsville*
